SUMMARY

Motivated Computer Science and Engineering (IoT & Cyber Security including Blockchain) student with a strong foundation in Java, SQL, Cloud Computing, Software Development Life Cycle (SDLC), and Web Development. Skilled in problem-solving and developing real-time applications. Eager to contribute technical expertise and continuously learn as a Software Engineer.

EDUCATION

Bachelor of Engineering in Computer Science (ICB)	2023 - Present
Alva's Institute of Engineering and Technology, Moodbidri	
CGPA: 8.97	
Department of Pre-University	2022 - 2023
Sahyadri PU College , Kolar	
Percentage: 82%	
SSLC	2021
K.G. International School , Kolar	
Percentage: 92%	

TECHNICAL SKILLS

- **Programming Languages:** Java, C, Python, SQL
- **Technologies/Frameworks:** HTML, CSS, Git, GitHub
- **Core Concepts:** Object-Oriented Programming (OOP), Software Development Life Cycle (SDLC), Cloud Computing (Basics)
- **Professional Skills:** Communication, Problem-Solving, time management, quick learner

PROJECTS

- **IoT-Based Temperature Monitor** Designed a conceptual IoT-based temperature monitoring system using the knowledge gained from certification. Developed a Python script to simulate data collection and logging for real-time analysis. **(2025)**
- **Weather App with Rating System** : Developed a responsive weather web app using HTML, CSS, JavaScript and OpenWeather API. Implemented real-time data fetching, multi-tab UI, and user rating system. **(2025)**

CERTIFICATES

- | | |
|--|----------------|
| • Introduction to Internet of Things - NPTEL Introduction to | Jan-Apr - 2025 |
| • Software Engineering - Coursera | Sep - 2025 |
| • Python Foundation Certification - InfosysSpringboard | Nov - 2025 |
| • The Joy of Computing using Python - NPTEL | Jul-Oct - 2025 |
| • IBM Applied DevOps Engineering - Coursera | May - 2026 |

ACHIEVEMENTS

- **2nd Runner Up, Technovate** - Achieved 2nd place in a college-level technical fest among 180+teams and 400+ participants.
Hackathon Winner - Awarded for creating an AI-based mental health chatbot.
- Participated in Anveshana 2025–26 Regional Science & Engineering Fair, Bangalore.
